

PROPOSED BURN FUND BUILDING OPEN HOUSE

We invite you to attend an open house where representatives from the BC Professional Fire Fighters' Burn Fund, Concert Properties and Bunting Coady Architects will present an overview of the proposed building and will be available to hear comments and answer questions.

The proposed Burn Fund Building will be a first in North America and will:

- Provide support and services to burn survivors and their families
- Contain a burn and wound healing research laboratory
- Increase the knowledge about burn and fire safety through its education centre

The proposed site for this innovative building is 3891 Main Street, Vancouver, BC. For more information on the proposed building please visit www.burnfund.org.

Burn Fund Building Contact:

Margo Bates, Burn Fund Building, 604.536.9501 or pr@burnfund.org
