CHANGING LIVES / DAY OF RENEWAL

Burn survivors lives are changed in an instant...and they spend the rest of their lives living with stares and as well as depression and isolation.

We live in a perfect world...where everything rests on outside appearances...or do we?

A world first program was created in Vancouver, B.C. by the BC Professional Fire Fighters' Burn Fund, and directed by Ann Coombs and will soon be launched across Canada.

On **Saturday, September 26, 2009** ~ the 2nd Annual *Day of Renewal* will be held for many members from the burn community who will be treated to a day of nurturing and compassion by a group of volunteers at a day spa.

Time: 10:00 - 3:00 p.m.

Where: The Cosmedic Corner Unit # 1, 6280 - 202 St, Langley,
Tel: 778-896-4891

This is just one of the many activities and support tools that are provided to the members of this unique community.

All services are donated by the experts who want to change lives and do...here is an example (*scroll down to see the photos*)
