Be at the farm by 10:00 am so you can be on the first hayride and head out to the fields to get your best pumpkin! Parking is off 84<sup>th</sup> Avenue, and you will be directed right into the field. (Wear boots or solid footwear as the field will likely be wet).

As the Registered Participant, you will pick up your buttons at the ENVISION FINANCIAL tent located just before the General Admission House. Give your last name to the volunteer who will provide the right number of admission buttons for your family. *Put them on carefully as this entitles you to free admission and a free pumpkin!* Vouchers for a hot dog lunch (vegetarian options available) and drink will also be provided for the number of attendees to present at the Food Tent located by the Petting Pen.

Bring your camera as there are many opportunities to take photographs when visiting with the animals or by the fire truck that will be on-site with some of our finest fire fighters from the Township of Langley and SPARKY will be there!
