Stay Safe in the Kitchen! - Kindergarten / Grade 1

Don't Play in the Kitchen!

Playing in the kitchen can be dangerous. Do not run or play with your toys in the kitchen. Do not touch pots or the oven as they might be hot. Do not climb on cupboards or stoves. Make sure an adult is in the kitchen when food is cooking. Play safe!

Some things are toys - Some things are not.
Circle the things that are not toys and tell why they might be dangerous.
